Dear HUPO Colleague;

The HUPO 9th Annual World Congress, Sydney 2010 (HUPO2010) Local Organising Committee is pleased to announce that it will be awarding a number of HUPO2010 student conference bursaries for costs incurred registering and attending the HUPO 9th Annual World Congress in Sydney (September 19-23, 2010). ([www.HUPO2010.com](http://www.HUPO2010.com)). A total of \$25,000AUD will be distributed amongst all eligible international **postgraduate student** registrants (*excluding* Australia and New Zealand students who should see APS awards below) based upon the number of registrations received. These bursaries are only eligible to postgraduate student registrants who register, submit abstract(s) and attend the HUPO 9th Annual World Congress in Sydney and who can provide *bona fide* evidence that they have not been awarded their PhD by the start of the Congress. Successful applicants will be notified before the commencement of the Congress and funds will be available by cheque from the registration desk. Applicants will be automatically enrolled in the “*Proteomics Idol*” HUPO2010 session. The HUPO2010 Local Organising Committee will favourably consider special student hardships circumstances if these are provided in writing. In exchange for recognition as the host local society for the HUPO 9th Annual Congress, the Australasian Proteomics Society is pleased to announce the release of a significant number of students and early career travel bursaries up to a total of

\$35,000AUD.

This year, “Proteomics Idol” and “Young Gun” awards including oral presentations, are also available for students and early career researchers.
