

## Full Program

For the **first in-person HUPO Congress since 2019**, the Congress program will offer exciting education and engaging networking opportunities that we all have missed so much over the last couple of years. The full program includes *Pre-Congress Training, Pre-Congress workshops, Congress Sessions, HPP Day, Bioinformatics Hub, ECR Manuscript Competition* and *Hot Topic Discussion*.

## Travel Award/Sponsorship

HUPO 2022 Cancun-Congress welcomes **students/postdocs with a special registration rate of \$250 USD**. Furthermore, HUPO is pleased to provide support to students and researchers in their early careers or from developing nations to attend the Congress. We also sincerely appreciate the generous offer from regional societies to support their student members.

## Exploring Cancun

Cancun is recognized worldwide for its spectacular white sand beaches, the Mayan culture, and the wonderful natural attractions such as the majestic mangroves, the exuberant jungle, and the mystical cenotes that stand out as an example and offer countless adventure activities.

## Health and Safety Policy

Despite the Pandemic Covid-19 situation, we are committed to the health and safety of our members, attendees, and partners. A guideline has been planned to ensure our utmost efforts to prevent the spread of COVID-19 and keep our conference as safe as possible to protect all conference attendees and staff. We are also aware that certain regions continue to be impacted by severe travel restrictions and local guidelines due to COVID-19. We are committed to exploring alternatives to overcome these barriers of access to the HUPO 2022 Congress and encourage those impacted by such regional pandemic restrictions, to reach us to discuss your personal situation further ([hupo2022@icsevents.com](mailto:hupo2022@icsevents.com)).
